

Got that small fish in a big pond feeling?

Is your national Group Purchasing Organization (GPO) providing you access to the products, suppliers and services you need? Does your national GPO have a pulse on your marketplace?

Meet a regional GPO that will give you access to vendors **without** leaving your current GPO.

Through IPC Group Purchasing's new *Select Membership Program* you will receive:

- Competitive pricing and flexible program with no requirements;
- Vendors already vetted for best value and exceptional service; and
- Products and services closer to you and familiar with your marketplace.

The next step is easy.
